

Praised be Jesus Christ!

*Dear Father John,
dear "St. Stephen Catholic Community"*

With great joy I have discovered that, on your web page, you had displayed the material about the activities with youth and children from Romania. I would like to thank you again for the help we have received from you. The help you have given us was indeed a miracle which enabled us to put into practice all the projects we had for the last summer.

Seeing so much happiness and so many smiling faces was a blessing for me, Father Florin-Petru Sescu, and for the young people who work with the children, and this blessing came to us through you. All these happened with your help and kind support.

THANK YOU!

It is said that "The language of love is the language understood by all the people in the world!"

We thank you for using this language when talking to us!

***May God bless you and
may you have a blessed Advent,
with peace filling your souls

Merry Christmas!

Sincerely yours,

Father Florin-Petru Sescu
